Instructions

The LCAP Federal Addendum is meant to supplement the LCAP to ensure that eligible LEAs have the opportunity to meet the Local Educational Agency (LEA) Plan provisions of the ESSA.

The LCAP Federal Addendum Template must be completed and submitted to the California Department of Education (CDE) to apply for ESSA funding. LEAs are encouraged to review the LCAP Federal Addendum annually with their LCAP, as ESSA funding should be considered in yearly strategic planning.

The LEA must address the Strategy and Alignment prompts provided on the following page.

Each provision for each program must be addressed unless the provision is not applicable to the LEA.

In addressing these provisions, LEAs must provide a narrative that addresses the provision **within the LCAP Federal Addendum Template.**

Under State Priority Alignment, state priority numbers are provided to demonstrate where an ESSA provision aligns with state priorities. This is meant to assist LEAs in determining where ESSA provisions may already be addressed in the LEA's LCAP, as it demonstrates the LEA's efforts to support the state priorities.

The CDE emphasizes that **the LCAP Federal Addendum should not drive LCAP development.** ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. **LEAs are encouraged to integrate their ESSA funds into their LCAP development as much as possible to promote strategic planning of all resources;** however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

This template is designed to be used by LEAs who already have completed their LCAP Federal Addendum and received approval from CDE. This template will support LEAs with the review of their LCAP Federal Addendum and revision.

The review and revision of the LCAP Federal Addendum do not need to be submitted to CDE for approval. However, an LEA should have their local Board approve any revisions.

Even if the LEA plans to transfer all of its title funds, it must still address all of the provisions of the title from which it is transferring its funds. The LEA must first meet the application requirements of those funds before it can elect to transfer those funds to another title.

California's ESSA State Plan significantly shifts the state's approach to the utilization of federal resources in support of underserved student groups. This LCAP Federal Addendum provides LEAs with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for LEAs to innovate with their federally-funded programs and align them with the priority goals they are realizing under the state's Local Control Funding Formula (LCFF).

LCFF provides LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The LCAP planning process supports continuous cycles of action, reflection, and improvement.

Please respond to the prompts below, and in the pages that follow, to describe the LEA's plan for making the best use of federal ESEA resources in alignment with other federal, state, and local programs as described in the LEA's LCAP.

Strategy

Explain the LEA's strategy for using federal funds to supplement and enhance local priorities or initiatives funded with state funds, as reflected in the LEA's LCAP. This shall include describing the rationale/evidence for the selected use(s) of federal funds within the context of the LEA's broader strategy reflected in the LCAP.

The use of Federal Funds received, in combination with State and Local Funding, enables the District to meet LCAP Goals and provide support of our Unduplicated student/parent population. The District LCAP Goals address Student Achievement, Attendance, Recruitment & Retention of Highly Qualified Teachers, Increased Parent Involvement Opportunities, and School Safety. District LCAP Goals were based on Educational Partner Input collected through surveys, interviews, public meetings, and local school meetings.

Alignment

Describe the efforts that the LEA will take to align use of federal funds with activities funded by state and local funds and, as applicable, across different federal grant programs.

The District uses Title Funds to provide paraprofessionals, within the general education classroom setting which, not only support students, it allows for release time enabling classroom teachers the opportunity to work individually and/or in small group settings on student intervention and/or enrichment, inclusive of SES, EL, FY and Special Needs student groups. Title Funds are also used for Teacher Quality and Professional Development opportunities for on-going curricular support, which in turn supports student success.

ESSA Provisions Addressed Within the LCAP

Within the LCAP an LEA is required to describe its goals and the specific actions to achieve those goals, for each of the LCFF state priorities. In an approvable LCAP, it will be apparent from the descriptions of the goals, actions, and services how an LEA is acting to address the following ESSA provisions through the aligned LCFF state priorities and/or the state accountability system.

Parent/Family Engagement is a key component to the success of our students. Springville School has great Parent/Family Engagement. The District's Parent Involvement Policy is reviewed and revised with parent input via Educational Partner Surveys, Parent Teacher Conferences, Teacher meetings, School Site Council, and School Board meetings. Information regarding meetings is provided to parents through e-mail (to those parents/guardians with internet service) and sent by mail and/or hand delivered home by students. In addition, the Parent Involvement Policy is made available at the beginning of each school year along with the Student Handbook and School Bus Safety Booklet. Parent/Family Engagement information is reviewed with parents/guardians at Back to School Night (the first day of school), Parent/Teacher Conferences (bi-annually), individual conferences as scheduled, School Site Council meetings, and School Board meetings. On-going Professional Development/Learning enables the District to support teachers and specialized instructional staff, which in turn, prepares staff to support parents using strategies they have learned. The District will continue to keep open communication with parents/guardians regarding all opportunities including ways to become involved on campus, student activities, events, curriculum, parent trainings, as well as, all information/reports will be available in a language spoken/read by parent/guardian.

The District is a member of the TCOE Small Schools Consortium which enables beginning teachers to receive professional development through the Teacher Induction Program. Professional growth and improvement for administrators is acquired yearly through Professional Learning Opportunities provided by ACSA, TCOE, and Tulare County Small School's Association. Certificated staff receive on-going opportunities on-site, as well as, a variety of opportunities from TCOE, Houghton Mifflin, STAR Renaissance, Simplify Writing, Capturing Kids Hearts, and Engage New York. Professional growth and improvement is measured by student success on local assessments, state testing, classroom observation, and lesson plans. Small School Districts are unique, in that, there are no more than two positions in any grade level (this can change on a yearly basis). It is not uncommon to have a combination class based on class size on any given year. Advancement looks different on a small campus in comparison to larger Districts. Staff members are encouraged to further their education to advance on the certificated salary schedule, as well as, gain additional certifications in counseling, special education, early childhood development, and administration in preparation for future opportunities.
